2025 AND FUTURE
PLANS

Establishing the Yemi Getachew Foundation (YGF)

Honoring a Legacy of Purpose, Passion, and Philanthropy

- Yemi was a passionate advocate for justice, equity, and community support.
- She played a pivotal role in launching and sustaining numerous philanthropic initiatives.
- Her unwavering spirit and vision continue to guide and inspire us.
- Family, friends, and colleagues came together, united by a shared desire to honor her memory in a meaningful way.
- And as many of us lovingly say — Yemi is still directing the show, just as she always did.

Goals of the Foundation

Supporting Cancer Patients and Families

The primary emphasis is on providing assistance to cancer patients and their families, both within the United States and Ethiopia

Promoting Education

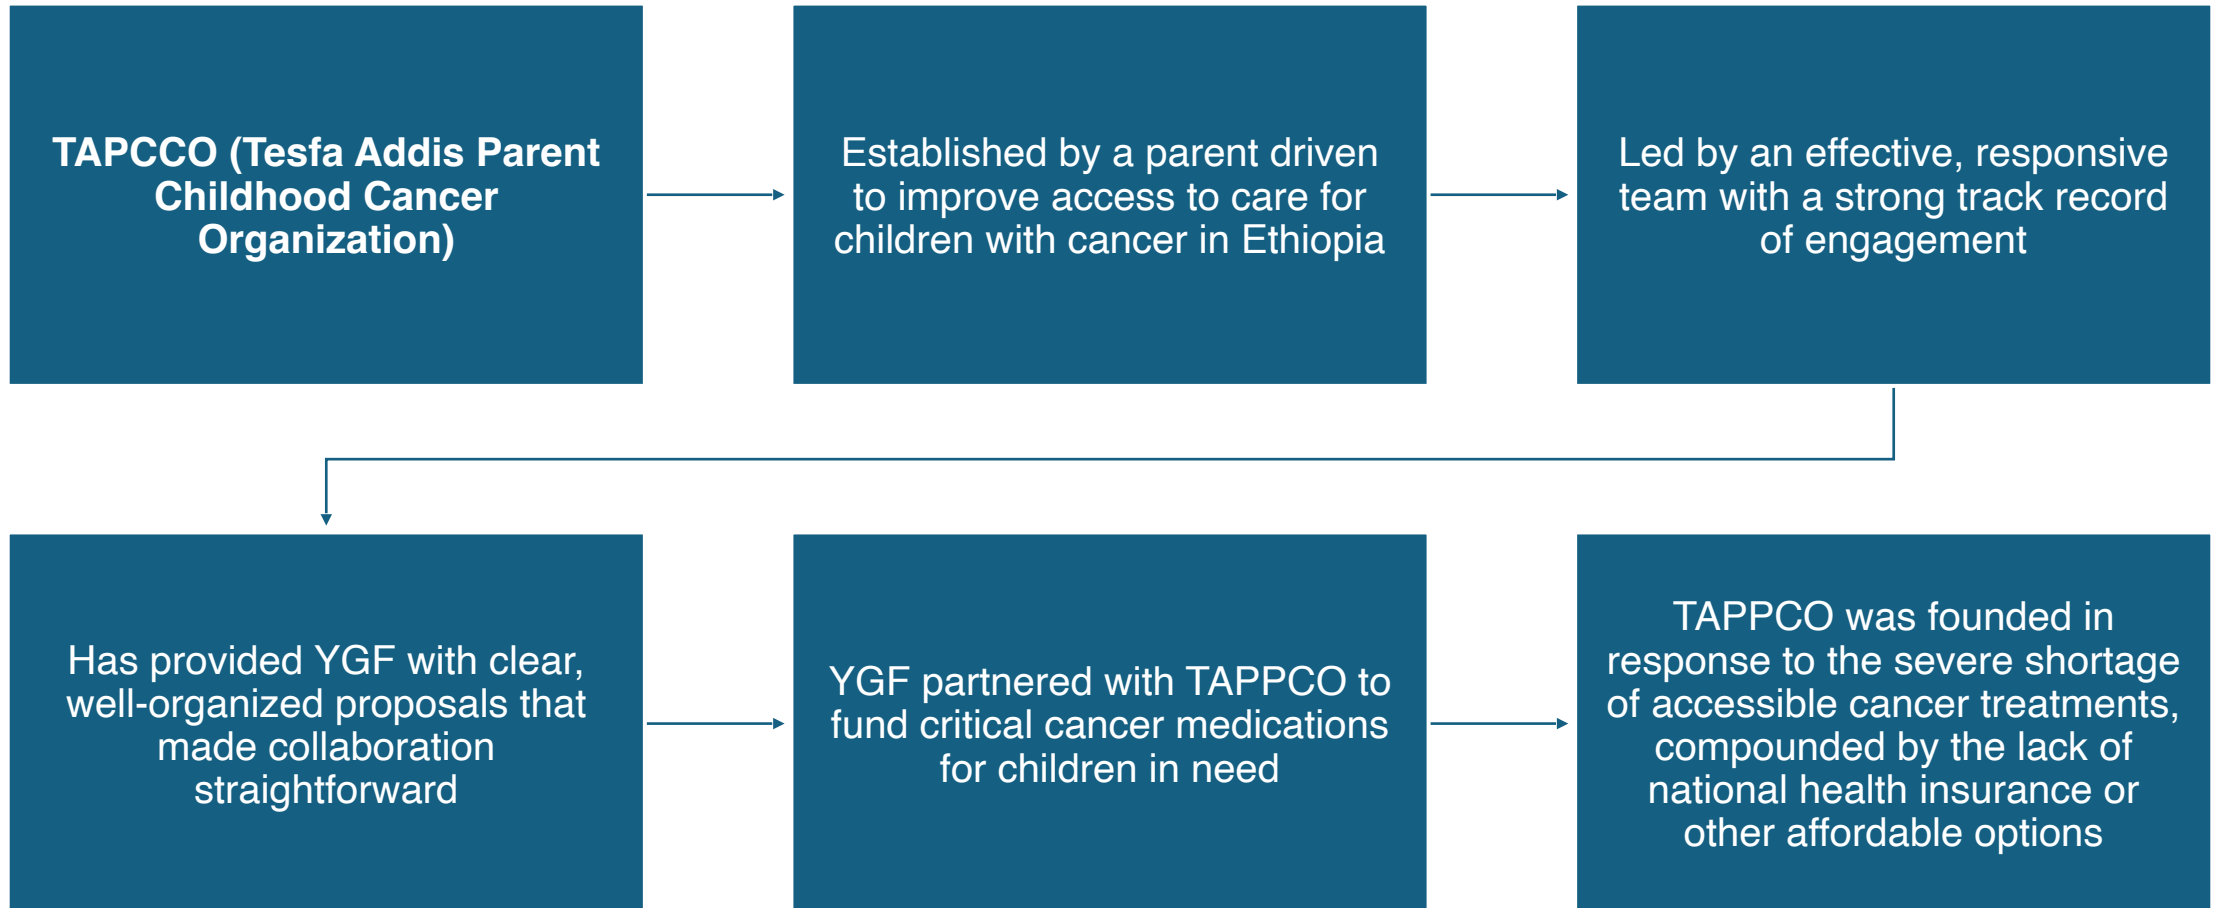

The foundation is committed to supporting educational initiatives in both the U.S. and Ethiopia. This includes the establishment of a scholarship fund and backing existing educational institutions, with a special emphasis on programs benefiting children.

Advancing Equity in the Legal Profession

Building on Yemi's dedication to equity, the foundation will concentrate on legal efforts, particularly in immigration reform. It aims to offer support to individuals in need of immigration assistance.
